**Nanning Detian Waterfall** is a transnational waterfall in the Sino-Vietnamese border, ranking the largest transnational waterfall in Asia and second in the world after Niagara Fall in America. The multi-layered stone waterfall is surrounded by an almost fairytale-like lush, green vegetation, much to the delight of visiting photography buffs. The way that the various levels of the waterfall feed into each other creates a sight so magnificent, that it must be seen to be believed. The various colors that arise from the falls resemble a vivid kaleidoscope, creating a swirl of ever changing color right before your eyes.

**Day 06 Detian – Nanning Airport for departure**

After breakfast at the hotel, drive pass by the charming town of Shulong to return to Nanning ( 3.5 hrs ) with a photostop at the Black Water River to enjoy the view of the River. Lunch at a local restaurant near to the airport before arriving the airport for Departure @ 1730
